Swiftpaw

[image]

Okay so this one I stumbled across when I was reading one of the Field Guides, the section about Brightpaw and Swiftpaw. They were trekking across their territory when they came to the spot where he giant dogs housed themselves. Here it is:

The smell near Snakerocks was strange- fierce and dark. I slowed down, but Swiftpaw kept running. "Swiftpaw!" I hissed as he scrambled over a fallen tree. "Be careful!"

"Don't worry!" he called back. "There's nothing here!" Just as he said that, a huge shape flew out of the cave and fastened slavering jaws around Swiftpaw's throat.

And that's the end of Swiftpaw, you probably know the rest, but for those who don't, you have to read the stories...

Think that's pretty odd last words... "**Don't worry! There's nothing here**!" Obviously not.

Firestar

[image]

Ahh the great and magical Firestar. Have you ever wondered what his last words were? I certainly have. Well it took quite a while to find this, but his unofficial last words spoken to Tigerstar before he kills him was:

"**You live like a rogue, you die like a rogue.**"

After that, he attacked and was killed. But what was weird was that
1. He didn't die from Tigerstar
2. He didn't die from the lightning, fire, or the tree
If you go to warriorswiki.com, then it verifies he died of his wounds... Weird right?

Anyways, comment and tell me what you think about that one. It was pretty good last words, I have to say... unlike somebody I know... <---

Cinderpelt

[image]

Hmm Cinderpelt (not Cinderheart). She died a meaningful death. Saved a mother and her kits life, not bad. Her last words? Here they are.

We cannot change our destinies, Leafpool. We just have to know what it is, and have the courage to accept it.

I believe this is Cinderpelt's last words before she was reincarnated into Cinderkit, please correct me if I am wrong. These words are very good, I think. At least she knew when her death was, StarClan told her when and how she would die, because in exchange for the knowledge of her death, she would be born as one of Sorreltail's kits. I would do a whole other one about Cinderheart's last words, but of course, she hasn't died yet.

-rubs hands together I'm watching for it. :).

Hollyleaf

[image]

I honestly didn't expect Hollyleaf to die afterwards. I'm like, let's put Hollyleaf in my- NOPE. But anyways here is her last words, while she lay bleeding to death surrounded by her Clanmates.

I couldn't bear to . . . to leave without knowing my mother.

Yup. Then she dies. That's pretty much it... Tell me if you like them or you think it was sad in the comments.

(Oh and for some more spoilers, she was talking about Leafpool)

Honeyfern

[image]

Do you remember Honeyfern? I always thought her name was an odd one.
Okay right now, I should probably put a spoiler warning in the description... I don't know why I don't have one, this is like the book where you can find the most spoilers. I'm gonna add it on now.
Okay that should be better... who reads the descriptions anyways? I don't.

ANYWAYS HERE IS HONEYFERN'S LAST WORDS AFTER SHE WAS BITTEN BY THE SNAKE;

We would have had wonderful kits together.

She said this to Berrynose, her almost-mate. Yeahhh, actually the two of them were sharing tongues on a rock when the snake appeared. BAD TIMING STUPID SNAKE.
After she said those words, the poison took over her. Leafpool was just sitting there doing nothing.

Bluestar

[image]

Everyone says that Bluestar was a great and noble leader. I don't agree (lol sorry you Bluestar lovers out there!). I mean, she went real crazy in the last few moons of her life. She said that everyone was a traitor, even her deputy. But in the end, then she started believing in her Clan and StarClan. Here are her final words to Fireheart.

Fire will save the Clan. You never understood, did you? Not even when I gave you your apprentice name, Firepaw. And I doubted it myself, when fire raged through our camp. Yet I see the truth now. Fireheart, you are the fire who will save ThunderClan. You will be a great leader. One of the greatest the forest has ever known. You will have the warmth of fire to protect your Clan and the fierceness of fire to defend it. You will be Firestar, the light of ThunderClan.

I give a clap to that speech, Bluestar 👏. That was pretty long. I like it. What do you think?
Yes, before this she told her kits that were with her at the time she was her mother. SPOILER: those two kits were Stonefur and Mistyfoot.

Yellowfang

[image]

-Is working on chapter two of Darkness Falls

HEY here is miss grumpy yellowfang's last words. I have to admit they were pretty... what do you call it? Good? I dunno. Ungrumpy. Anyways, here are yellowfang's dying words. These were spoken to Fireheart [in the midst of a fire], folks.

Thank you for bringing me to ThunderClan. Tell Bluestar I have always been greatful for the home she has given to me. This is a good place to die. I only regret that I will miss watching what StarClan has destined you to be.

Then Fireheart spoke to her, then realized she was dead. LOL. But like, I thought that StarClan could see the Clan cats. She said that she will miss seeing him become what he was destined to be... hmm. Overall, nice words. Oh how about I start a rating system? Here is Yellowfang's:

REQUEST

If you want, please request on this page and this page ONLY. It will make my life so much easier.

But you can request if you want a cat's last words from me, I'll make them gladly. Just comment the cat name and it shall be out ASAP. Just please, make it a real warrior cat.

Mosskit

[image]

Well, here is my first requested warrior cat to do their final words. I actually remember reading these words in Bluestar's prophecy... Here they are!

Mother, can we go back yet? I'm getting cold.

Quite creepy, actually. I mean, for those people who haven't read this death yet, I'm pretty sure you can see how they died... Yes yes I know it's sad they died from heatstroke.
LOL JK.
(or am I)

Hawkfrost

[image]

This cat was requested by our fellow friend, @HollyCatWriter . Go and check her out (please correct me if I'm wrong) now or curl'll getcha! Here's Mr. hawkfrost's final words in life.

Why brother, why?

What I find very intresting about this is that he said this while the stake was implanted in his chest. But I guess it's like cats who die from a wind in their throat survives a few moments after the strike. I dunno. Anyways, I like this one. Brother murdering brother. Here is the majestical rating from the Great O' Magical Curl.

Spottedleaf [second death]

[image]

This one was suggested by our good friend, @InkyWolf . She (please correct me if I'm wrong) says she wants Spottedleaf's second death, which I happen to know word by words somehow. Allow me to do the full conversation. Well, most of it.

Firestar- But Spottedleaf, you said you would be waiting for me in StarClan!
Spottedleaf- **Oh Firestar, that was never going to happen.**
Narrator- Spottedleaf opened her mouth as if she was going to say more, but her eyes turned to glass before it could happen.

How was that? I know that was her last words, but Firestar's quotes I'm guessing I was about 85% right. You know. Haha.
Did you like it InkyWolf? I thought the death was pretty dramatic, especially when Sandstorm was standing next to Firestar... LOL
FUN FACT- Mapleshade killed Spottedleaf in StarClan form with a claw to the throat right in front of Firestar. She thought Sandstorm would be happy to see Spottedleaf go so that Firestar would then love her fully. Odd? I think so.
☆□☆□☆□☆□/☆□☆□☆□☆□☆□

Scourge

[image]

I always liked Scourge. I mean, he really did have an extraordinary life. He started out the runt of the litter, and named Tiny. Then he escaped and rose to become leader of a vicious Clan called BloodClan.
Tigerstar literally came begging to his paws for help.
Okay, Scourge was suggested by TigerDeathIron , so here are the words of fate!

But... but your dead!

Haha I actually like these a lot. Thanks Tiger, this is cool. Scourge is like, BUT WHAT YOURE SUPPOSED TO BE DEAD! Then firestars like NOPE. AHH THE WONDERS OF STARCLAN. and then he kills him.
Jkjk I made it up. But I think these really are his last words.
☆□☆□☆□☆□/☆□☆□☆□☆□

Spottedleaf [rewritten]

[image]

Yay, we open this book up once again with a rewritten death: Spottedleaf! I know that I have already done her, although I felt I should redo her because I found a better source. So here it is!

Firestar- You promised me you'd welcome me!
Spottedleaf- **That was never going to happen, my love. I cannot journey with you anymore. I'm sorry. . .**

Does anyone feel a bit sorry for Firestar? I mean, she said that she would wait for him in StarClan for when he died. She actually promised.
But noooo that didn't happen.
And Firestar died just hours after she died... Bad timing.

A/N

Just a little note from Curl:

Wow guys, I really didn't think I could get this book to almost 1K reads so easily, it's already over 800. When I started it, I actually thought I would delete it later on, because I would get bored with it, or no one was reading it. But seriously, thank you guys so very much for all the positive feedback and general comments, they really help me improve my writing and push me forward to complete the story.
For example, @TuftyKat requested that I do Skywatchers from Firestar's Quest yesterday, even after the book had been on hold for weeks. And now, that inspired me to write more of these. I just wanted to thank all you readers, voters, and commenters for doing that, it goes a long way!
Seeya soon,
Curl

Silverstream

[image]

I honestly don't like Silverstream... I mean, everyone agrees she disobeyed the Warrior Code and had a mate in another Clan, but did you really have to have kits? It just caused so much unneeded commotion in the Clans, but did make for a great story.
Eventually though, her mistake led to her death. Here are her last words, spoken to Graystripe right after her kits were born:

Goodbye Graystripe, I love you. Take care of our kits for me.

And what Graystripe (stupidly) didn't notice was that HIS KITS WERE ACTUALLY ALIVE. Silverstream actually told him to take care of them, so that proves he wasn't listening to her LOL. After that, a sad Graystripe went moping back to the Clan, then Fireheart was all like, dude what about your kits? And he's like omg they're still alive?!
Well, it may not have gone ever EXACTLY like that, but you get the point...

☆□☆□☆□/☆□☆□☆□☆□☆□

Skywatcher

[image]

I'm guessing that 50% of you reading this has no idea who ths guy was, so lemme explain: he was the last living original SkyClan descendent alive when Firestar and Sandstorm arrived. He was very old, actually, and Firestar witnessed him die. Please read Firestar's Quest for the full story.
Here are his last words:

Your Clan is safe now. But there will be three, kin of your kin, who hold the power of the stars in their paws. Farewell, Firestar. In seasons to come, remember me.

Oh and by the way, this one was requested by@TuftyKat , and they were even nice enough to give me Skywatcher's last words! I give a shoutout to her (please correct me if I'm wrong XD), so go and follow now!
Le rating:
☆□☆□☆□☆□☆□/☆□☆□☆□☆□☆□

Honeyfern [rewritten]

[image]

Sorry guys apparently I got the last words for Honeyfern wrong. PLZ FORGIVE MEH.

I was told that right after she was bitten by the snake/adder thingy she screamed this:

Help me! My blood is on fire!

Ouch. Sounds painful. I'm glad I wasn't her...
DID YOU KNOW that she was the first and ONLY warrior to be killed by a snake? Surprising, isn't it?

☆□☆□☆□/☆□☆□☆□☆□☆□

Another A/N

OMGGGG you guys are so awesome. Like seriously.
Yesterday, this book just reached 1K reads, and now when I checked this morning, it already had 1.5K. WHAT? Man you guys make my day better.

I want to thank you guys for reaching 1K reads and over 150 votes!! I honestly didn't think I would make it this far. And now for a FUN FACT!

DID YOU KNOW that this is only one of two books on the entire community of Wattpad that does the Last Words of Warrior cats? Yeah, I found the other one a while back, but it wasn't what inspired me. It has like two parts XD.

But this wasn't the only reason I did another (and probably last) A/N, I also did this because I had an idea. Curl having and idea?! Well pretty much the idea was that I could start a sequel to this book when I finish it, and it would be many short stories on the warrior cat deaths. For example, I would write a few page story on Firestar's death or something from his POV.

I honestly have no idea when this is going to be completed, probably when I run out of deaths. I will (most likely) update it one or two more times after its completed, because I forgot a death or something and it's really bugging me, so... yeah X3.

Remember to request!!

Brokenstar

[image]

I guess I could call him Brokentail since that what he was called when he died. EHH. Most know him by his infamous name, BROKENSTAR. If you put that name on a normal cat, it sounds quite cool. Brokenstar. Hmm.
ANYWAYS you're here for his last words. Are you not? Well, this is spoken to his mother, Yellowfang right before he died.

Brokenstar: **What did you feed me?**
Yellowfang: Death berries. You will never hurt anyone again. I am your mother.

Well, that's one way to spit everything out at once, Yellowfang. Hmm those were pretty amusing last words if id say so: WHAT DID YOU FEED ME YOU LITTLE CREEP?! Here's is the rating from Curl

☆□☆□☆□☆□/☆□☆□☆□☆□☆□
p.s.
(nice job brokenstar, you get a fish! 🐟)

Russetfur

[image]

Okayokayokayokay I'm sorry this one isn't so good. She's gonna get a bad rating. DOWN WITH RUSSETFUR! DOWN WITH RUSSET- lol curls bad side took over for a second...
If you guys don't know, she went down in the battle against ThunderClan and ShadowClan was all like oh no Lionblaze is a murderer now he killed russetfur he should get punished-
NOPE. Actually she was too weak to be in the battle, and her body couldn't take Lionblaze's strength. So she died. But ThunderClan was in the same exact place, Firestar was killed (well, more like lost a life) in the battle too. That's one of the reasons I don't like ShadowClan. Meh.
Okay HER LAST WORDS YES YES.

Blackstar!

Meh, quite boring. I'll do another one after his to make it up. BAD RUSSETFUR HERES YOUR RATING:

☆□/☆□☆□☆□☆□☆□

Tallstar

[image]

OMG I completely forgot I haven't done him. Sorry.
Anyways here are his last words right after they had moved to the lake territory. Like literally, they found the place and he died. Weird.
Well anyways, his last words caused a whole load of (again unneeded) commotion about the Clans. Here they are *drumroll*

Onewhisker will be the new leader of WindClan once I am gone.

Ohhhhh Tallstar... *shakes head disapprovingly* you stupid stupid cat. (Sorry Tallstar fans out there!) Didnt you know this would cause more trouble then it would be worth? Well, it's over and done and he started a whole battle that led to a cat being killed. But on the bright side, a tree bridge to the gathering island appeared. WHAT ARE THE ODDS?!
I guess that's how StarClan showed their approval.

☆□☆□☆□/☆□☆□☆□☆□☆□
(I'm putting half and half since I can't decide. It caused a whole lot of fighting, but it did end up with a gathering island...)

Whitestorm

[image]

Snowstorm- I mean Whitestorm's (I get mixed up...) death was pretty sad. He was taken down by Bone, who was Scourge's deputy at the time in the BloodClan attack. Bone was killed though, in a swarm of apprentices after Whitestorm died.
Can you find the thing wrong with his last words??

Trust your heart, Firestar. You have always known that Graystripe is the cat StarClan destined to be your deputy.

WHITESTORM LIEDDDD! Brambleclaw was actually the deputy destined to be... Sorry whitey.
But it was creepy before the battle, he acted like he knew he was gonna die. He was all like, it has been an honor serving you, firestar.
Firestar: you gonna die or somethin?!
Whitey: uhhh totally not.

☆□☆□☆□☆□☆□/☆□☆□☆□☆□☆□

Heatherstar

[image]

So she is a very very old cat, the leader before Tallstar. She had contracted a bought of greencough and was barely dead when Talltail (later Tallstar, I love his warrior name ;3) arrived. She managed to get something like this out between her coughs:

Have courage, my friend, and always follow your heart. WindClan is yours now, Tallstar.

Okay maybe not EXACTLY like that, but I think it was pretty spot on. I couldn't find the exact quote but found a website that lists off every single warrior cat death in all of the series, so I gave it a try XD. Please correct me if I'm wrong, she died in Tallstar's Revenge.
So I've decided to complete this book when it gets to 25 or 30 parts, because by then I'll be out of deaths. A secret book will be real eased soon after :3 stay tuned to find out what it is. (It's not the book you think!)
And btw Darkness Falls was not deleted, I unpublished it for now. FOR NOW.
Anyways, sorry for getting sidetracked LOL

☆□☆□☆□/☆□☆□☆□☆□☆□

Feathertail

[image]

A/N I shall stop here, my friends. I am sorry for those who want me to continue, it will most likely not happen. I will start another book in place of this, maybe funny, maybe serious, I don't know. Go and check out my profile to see what it is, I have probably already posted it, you future people. If not, then sit tight and WAIT. and enjoy :).

Well, for our last and final last words (dat pun tho!), curo brings you Feathertail, who's last words were actually funny, not sad or mad or surprised. Although, I don't think Crowfeather found it very amusing when she died. Haha. HAHAHAHAHA. Ahhahahahahha. get it? no, okay.

Think you have nine lives, do you? I've saved you once, don't make me save you again...

Merp.
I don't see how she would save him anyways, because she would be DEAD. Ever thought of that? Probably not, seeing how she is bleeding to death from a giant gaping hole in her side where the rock hit her.
She probably planned out her death speech. I dunno why, it just sounds like it. Don't you think? I DO.
THE RATING:::::::

☆□☆□☆□☆□☆□/☆□☆□☆□☆□☆□
p.s.
yas that was meant to be six out of five!

Look guys

Okay look, I'm not taking ANY more requests, I'm so sorry ;-;. This book has been completed. I'm so so so sorry to all of those who requested but didn't get their cat in, I couldn't find their last words. These are actually very very hard to find, and sometimes they don't even mention the death scene of a cat. For example, one person requested Redtail's, but I was unable to do him because the Erin's didnt write about his death scene. There are many fanfics, but I want the real stuff Erin wrote. So sorry, I hope you understand.

KEEP READING

PLEASE READ

Okay so I know I keep making extra parts, but I need to make one last one to say that I have started the new book I have promised you all. Go and check it out, I think you guys will like it! Ill be posting probably once or twice a day :).

Dustpelt

[image]

Ye... I have decided to update this book once again, after saying it was completed. Woohoo! *crowd cheering noises*
So I think you guys are all happy, but I bring sad news. I have found the Great O' Dustpelt's Death. Ya wanna hear his last words? Here they are!!!

That is not where I want to be.

Yes, I was confused too.
IHAVENTREADBRAMBLESTARSSTORMIMSOSORRYFORALLYOUFANSOUT
Basically what went down (I think) is this:

Dusty: *dying from flood*
Bramble: y u not go to da elders den. it's waiting for u!
Dusty: yo man I'm no elder. that's NOT where I wanna be.
Bramble: fien.
Dusty: *dies*

Yesyes everyone says its so sad. ;(. I'll end this here for now. But here is the rating before I go and write a quote:

Appledusk

[image]

Well, a request. Different. Now I'm not exactly how or why he was killed, but I do know that
A) I think appledusk rejected Mapleshade
B) <-- I hate dat face

Does anyone know when he died? I personally thought he was a she-cat in ShadowClan (NO OFFENSE APPLE SORRY) but obviously not. If someone would like to inform me, that would be great. This was requested by @xXSilverpeltXx who actually gave me their last words. Thank thank you so very much you're so helpful when you do that!

I don't want to fight you, Mapleshade.

And then she killed him. Dead on le spot. Sad. I wish I knew him better.
As I said before, please inform meeee

☆□☆□☆□☆□/☆□☆□☆□☆□☆□
Pretty good, eh?

Mapleshade

[image]

These next three are all requested from @xxsilverpeltxx who was nice enough to give me all three of their last words. HUGE shoutout to them, go follow!
Anyways here are Mapleshade's last words, which I find ironic XD

Leave me alone, I don't need anyone.

Obviously you don't need anyone. Its not you're going to die or anything...
But at the same time it's kind of sad. She had a very lonely and sad life, then joined the dark forest. ;(. I guess we'll hear more about her in the super edition the Erins are writing called Mapleshade's Vengence. Who else is excited for it?

☆□☆□☆□☆□/☆□☆□☆□☆□☆□

Frekckelwish

[image]

Frecklewish, who i believe was the ThunderClan medicine cat back in da day was bitten by a poisonous adder. Yeah, you know how this is going to turn out. She dies. Very sad, although i have managed to acquire her final words before she passed on to the great and mythical StarClan where cats go when they die in the Clans, but only if they believe in it, because scourge who didn't believe in it died in the clan territory and like didn't go to starclan but FIRESTAR who was leader believed in it and therefore lost only one of his nine lives since he was a leader of a clan, ThunderClan in this case so yeah you get it I think you do i should probably stop talking now and like oh I don't know get to the main point so yeah there it is, StarClan in a paragraph and what happens if you don't/ do believe in it folks.
Liked my essay? I did too! (165 words long!!)

But ThunderClan doesn't have a medicine cat! Am going to die?

Yes, yes you are Freckelwish. Oh wait... LOL she's not the medicine cat I don't think. Well. Oh well.

Spottedleaf [first death]

[image]

So, this is the third Spottedleaf ive done XD she only died twice.
Hey guys, thank you so much for almost 4K reads (3.7K as of April 2)! Wait. What? 4K? Wow, you guys are awesome!!
Anyways, BACK TO LE STORYYY
So everyone knows how it goes: Spottedleaf was the med cat and everyone liked her. Somehow she managed to fall in love wih an apprentice half her age and size that was only just transferred to the Clans from being a kittypet. Then our good old pal, Clawface comes in and MURDERERS HER IN HER SLEEP. Well not actually in her sleep, but you get the point... Right?
These words were spoken to her only first true love before she was killed

Take care Firepaw

Sounds like to me that she knows she's going to die. Maybe she did liek some other cat... (whitestorm!) Well, that's it for now my fellow warriors. Seeya next time on WARRIOR CAT LAST WORDS *theme song plays as camera zooms out from curl with the crowd applauding*

Ravenwing

[image]

Wow I didn't actually know that there was a cat named Ravenwing. Sounds like a fan-made warrior name :3. Well, about their last words, CREEPY:

Mapleshade, what are you doing here?

Mapleshade: OH IM HERE TO ENILATE YOU LITTLE-

pauses tv Wait woah before that gets out of hand, let's cut it there, shall we? I think there might be some... younger viewers here. YES YOU IN THE BACK!
But to be realistic here, Mapleshade didn't say that. I made it up. I think. YEAH I did sorry. Hehe. She just went boop and there goes our little Ravenwing to StarClan. Sorry bud, you didn't achieve much.
Lol these are getting a little short, I might stop this at like, what, part 40 maybe? That gives you five or six more deaths to gnaw on in your bordem, doesn't it? I don't like rambling on sorry, getting off topic, I'll just give you the rating and go...

Hawkfrost [rewritten]

[image]

So I have had some rather... stubborn people who have requested Hawkfrost's last words be changed so they are correct. So, I have decided that, since I have not updated recently, I will update once again. Apparently, "Why brother, why?" Is wrong and will correct it. Here are his real last words:

Hawkfrost: **Did you think I did this alone? Do you think you're safe in your own Clan?**
Narrator: He coughed, spitting out clouts of blood, and then added.
Hawkfrost: **Think again!**

Hahahaha Hawkfrost, you're so stupid. For many reasons. Many many. Sorry if I have offended, but I mean really? Trying to get a loyal deputy to kill his own leader? I don't know, sounds a bit... unplanned to me.
Well, I think I'll be updating more often now. I don't know why I stopped, I think life got in the way. BUT ITS GONE NOW!

OH AND BEFORE CURL FORGETS: Go and see my new contest book, it has great prizes! Haha I like a little ad, don't you??

☆□☆□☆□☆□/☆□☆□☆□☆□☆□

Lol another ad. DONATE FOR NO ADS, NOW. Since you have not donated yet, you guys have to endure ads. Haha jkjk I'll just be throwing in a one of these every couple weeks. For fun. XD.

Shrewclaw

Ahh I love these last words. Real funny. Only the second amusing one so far, pretty surprising!
These were given to me by @NightkitSweg , thank you very much it's so helpful when you do that.

This was in Tallstar's revenge, right after Shrewclaw... I don't actually remember how he died XD. I know a Shrewpaw in ThunderClan died from a monster but... PLZ INFORE ME.
Hear day r:

Wormcat? Avenge Brackenwing for me.

Ahahaha I couldn't resist. Lovely words.
He was talking to Tallstar btw, his kit-hood name was wormcat. I love it.
